Preparation for Discussion

Watch the video examples below and think about these questions, write down your notes, be prepared to talk about them in group discussion. If you are doing this training individually, you will need to prepare written answers to each question.

1. Why do you think each of these videos was chosen as a good example of a conversation session activity? What attributes of a good conversation session are exhibited in each video?
2. Based on what you have read, observed in the videos, or gleaned from your own language learning experience, list five key ingredients for a good conversation session.

Video Examples

Watch the video examples. Even though you may not understand the language involved, you can still observe the way the conversation partner and students interact.
