1: Bëri që të krijonte një opinion të keq për fenë. Dhe me propaganda të madhe të asaj kohe arriti qëllimit të tij. Mbasandaj me goditjen e dytë bëri prishjen e objekteve fetare. Kjo ishte dhe gjë katastrofike. Kjo ishte dhe humbje për popullin tonë sepse shumë ikona shumë figura struktura dhe vënde monumentale të arqitekturës tonë u zhdukën.

2: Po.

1: Mbasandaj mori edhe i burgosi gjithë ata katolikë andej kësaj me akuza siç thashë më lart edhe ja arriti qëllimit e hoqi fenë, por si thashë dhe më parë që qenë është dhe do të jetë feja. Ja tashi me ardhjen e demokracisë u ringjallën të tëra fetë, edhe kombin akoma është domethënë problem sa të zgjidhet pushteti juridik. Unë kam besim se Shqipëria do të jetë një komb i nderuar në familjen e madhe Europiane. Këtë e mbështes të ndërgjegjja kombëtare. Është shumë më larg se kohë më përpara. Veç se duhet të organizohet edhe ajo do të jap kontribut si ç'ka dhënë në shekujt e tjerë.

English translation:

1: He (Enver Hoxha-dictator during communist period) led people into creating a negative opinion about religion, and with the massive propaganda movements of the time, he reached his goal. Thereafter, with his second blow, he destroyed religious objects. This was a catastrophic event. This was a loss for our people because a lot of icons, a lot of figures, structures and monumental grounds of our architecture disappeared.

2: Yes.

1: Afterwards he took and imprisoned a lot of Catholics with accusations that I mentioned earlier and he reached his goal of taking away religious freedom, but, like I said before, religion has always existed, it still exists, and will always exist. Now with the coming of democracy all religions were reborn, but the nation still faces a problem until legal power is restored. I have faith that Albania will be an honored nation in the large European family. This I mount on the national conscience, which is far more advanced than it was before. It just has to be organized, and it will give its contributions like it has in the centuries past.

About CultureTalk: CultureTalk is produced by the Five College Center for the Study of World Languages and housed on the LangMedia Website. The project provides students of language and culture with samples of people talking about their lives in the languages they use everyday. The participants in CultureTalk interviews and discussions are of many different ages and walks of life. They are free to express themselves as they wish.
