**English translation:**

**A:** Oran is known even abroad. It is known for— At that time, it had this soccer team called MPO and it was a very strong team, but no longer these days. It [Oran] is known for soccer, it is known for its people, its music and even its weather: it is warm all year round. In the winter, it is not like here where we have snow; there it never snows. It is true that in the winter there is a lot of rain but it never snows there. That is, of course, because it is next to the sea. It is also known for its beaches and its coasts.
