English translation:

Anas: Okay, Hammoudeh -- what's your favorite game to play with your friends?

Hammoudeh: My favorite – I have a game called Monopoly. I like that one; it's a thinking game and stuff. So we like that game, and it's exciting and nice to play. That's my favorite. I also like computer games. Because sometimes I buy CDs; I go on the internet – there's cool stuff on it. So my friends come over and we play on the computer, or sometimes I visit them (they have computers too). I buy CDs -- we play on the computer. Um ... I have marbles -- for example we play with marbles, or we go out and play soccer outside, or stuff like that.

Anas: Okay, thanks very much Hammoudeh.
