Türkiye'nin üç tarafı denizlerle çevrili olduğu için, çok uzun sahilleri var. Sekiz bin üç yüz otuz üç kilometre sahillerinin toplam uzunluğu. Ve bu yüzden deniz turizmi çok gelişmiş durumda Türkiye'de. Sahil yörelerinde, sahil kısımlarında turizm çok fazla gelişti, ve işte oteller, turistlerin yararlanabileceği her türlü olanaklar sağlandı, hem iç turizm için hem dış turizm için.

English translation:

Since the three sides of Turkey are surrounded by seas, it has very long coasts. The coastline is 8333 kilometers long. This is why sea tourism is very developed in Turkey. In the sea regions, on the coast, tourism has developed a lot, and hotels, that is, all opportunities for tourists to benefit from [these coastlines] have been provided, both for internal tourism and external tourism.

About CultureTalk: CultureTalk is produced by the Five College Center for the Study of World Languages and housed on the LangMedia Website. The project provides students of language and culture with samples of people talking about their lives in the languages they use everyday. The participants in CultureTalk interviews and discussions are of many different ages and walks of life. They are free to express themselves as they wish. The ideas and opinions presented here are those of the participants.
