**English translation:**

Tanzania was formed after Tanganyika and Zanzibar were united. That is why we call it the United Republic of Tanzania. There is mainland Tanzania and the island of Tanzania, which we call Zanzibar. When visiting mainland Tanzania, many tourists also go to Zanzibar. They like to go there because it is an island, and they enjoy staying in tourist hotels. Moreover, they go to Zanzibar to learn some historical facts. As we know from the colonial era, there was a slave market in Zanzibar. Many tourists enjoy going and staying there for historical reasons. They also enjoy a good view of Zanzibar. The Indian Ocean surrounds the island, so they have a good time going out on boats for fun, and they

get a good view of Zanzibar. We Tanzanians are proud of having a fine country with many good views.
