Yo'gni solishni boshlaymiz. Albatta men yaxshi oshpaz bo'lmaganligim uchun unchalik yaxshi bo'lmadi, umuman odatda bu aylana shaklida bo'ladi...menimi ozgina o'xshamadi. Xo'sh endi buni aylantirishni boshlaymiz, yog'ni yaxshilab surganimizdan keyin...aylantirganimizdan keyin ozgina, birozgina, qattiq emas, birozgina, yumshoq qilib qisishni boshlaymiz... Qisganimizdan keyin buni aylana shakliga keltiramiz. Aylana shakliga keltirganimizdan keyin...aylana shakliga keltirganimizdan keyin buni o'n-o'n besh daqiqa sovutgichga qo'yamiz.

English translation:

We will start putting in the butter. Of course, since I am not a good cook, it did not come out well. Usually it should be a round shape...Mine did not come out right. Well, now we will start folding it over, after we buttered it well...after we folded it over, just a little, not hard, we will start squeezing it tenderly...after we squeezed it, we will bring it into a round shape. After it is round...after we made it round, we will put it into the fridge for 10 to 15 minutes.

About CultureTalk: CultureTalk is produced by the Five College Center for the Study of World Languages and housed on the LangMedia Website. The project provides students of language and culture with samples of people talking about their lives in the languages they use everyday. The participants in CultureTalk interviews and discussions are of many different ages and walks of life. They are free to express themselves as they wish. The ideas and opinions presented here are those of the participants. Inclusion in CultureTalk does not represent endorsement of these ideas or opinions by the Five College Center for the Study of World Languages, Five Colleges, Incorporated, or any of its member institutions: Amherst College, Hampshire College, Mount Holyoke College, Smith College and the University of Massachusetts at Amherst.
