English translation:

Pastors teach about the bible, they go about preaching the gospel. For example, in this neighborhood, they move door to door preaching the gospel; that is their duty. The home league is comprised of women who will be teaching other women about projects like sewing projects.

Interviewer: Projects in Church?

Yes, in church. They teach each other sewing and other things like rearing chickens. All these are projects that they can carry out. There are many positions [in the church]. There are timblists among the girls. These are the girls that can play the timbrels. They will be teaching others.
