Grapes

- Old man, hello.
- Hello, young man.
- Do you sell grapes, old man?
- Yes, yes, dear, I do.
- Do you have white grapes?
- Yes, here is the white one, and black one as well.
- I have a summer house, old man. The editorial office gave me the summer house. Now we need to plant fruit trees there.
- Then, young man, take these three white ones, and four black ones.
- When do I need to plant them?
- Well, these days actually, March is the month to plant, it is spring month to plant.
- Okay then, old man, how much are they?
- Not that expensive, young man. The white grapes are 3 manat, black grapes are 3 manat and 50 cents. Total is 23 manat.
- Thank you, old man.
- Thank you, young man.
