

## **Aýagy dögdüňmi?**

- Serdar, saňa näme boldy?
- Eje, men merdiwandan ýykyldym.
- Oglum, niräni agyrtyň?
- Aýagymy.
- Dögdüňmi? Gymalama bärde ýat. Başka bir ýeriň agyrýarmy?
- Ýok, ýöne elimde ýara bar. Ganady.
- Häzir men duhtora jaň edeyin. Soň eliňe arasalap bint bilen sarjak. Eýýam çişiptir.

## **Did you break your leg?**

- Serdar, what happened to you?
- Mom, I fell off the stairs.
- My son, where did you hurt yourself?
- My leg.
- Did you break it? Don't move, lie still. Does it hurt anywhere else?
- No, but I have a scratch on my arm. It has bled.
- I'm calling the doctor right away. Then I'll clean your wound and cover it with a band aid. It has swollen already.
