

## **Näçeden?**

- Dayza, erik näçeden?
- Baş müň manat.
- Alma näçeden?
- İki müň, süýji turşy däl.
- Şeylemi, iki kile aljak.
- Dört müň. Üzümden de alsana.
- Sagbol dayza, üzüm başka ýerden aldym.

## **How much does it cost?**

- Ma'am, how much are the apricots?
- Five thousand manats.
- How much are the apples?
- Two thousand, they are sweet not sour.
- Really, then two kilos please.
- Four thousand. You should buy some grapes too.
- Thank you, I already got grapes from another place.
