## **Things I've bought**

- Myrat, I am home.
- Welcome back. Where are you coming from?
- From the bazaar. I browsed it for two hours.
- Did you buy anything?
- Yes. I bought real bread from the bakery. I've got myself a skirt and a blouse. I bought you a shirt. Do you like the color?
- Yes, very much. Thanks a lot. Does it look good on me?
- At the store exit I saw Merjen. We chatted a bit, and I picked out some carpets.
- Did you buy carpets?

- Not yet. Let's go together tomorrow. If you like them, too, we'll buy them.
