Where is the post office?

- Excuse me, sir. How can I get to the post office from here?
- Miss, if you catch a minibus across the street, then get out on the second stop. At that stop walk straight to the right. On your left, there will be the post office.
- Thank you. Which bus?
- Get on # 5. It's going there.
- Thank you very much.
- You are welcome.
