# Study Guides Based on The Top 1,000 Words for Understanding Media Arabic

The second set of study guides is older. They are based only on *The Top 1,000 Words for Understanding Media Arabic* published by [Georgetown University Press](#) and supplementary media sources chosen by the mentor/instructor for the course. These guides emphasize vocabulary acquisition and include special vocabulary exercises for fine tuning comprehension. These guides will be especially helpful for anyone learning and reviewing media-related vocabulary. There are ten guides designed to be covered in a one-semester half course.
